

Public Safety Survey Results

Perceptions, Experience, and Ideas for a
safe and inviting First Hill

Background and Purpose

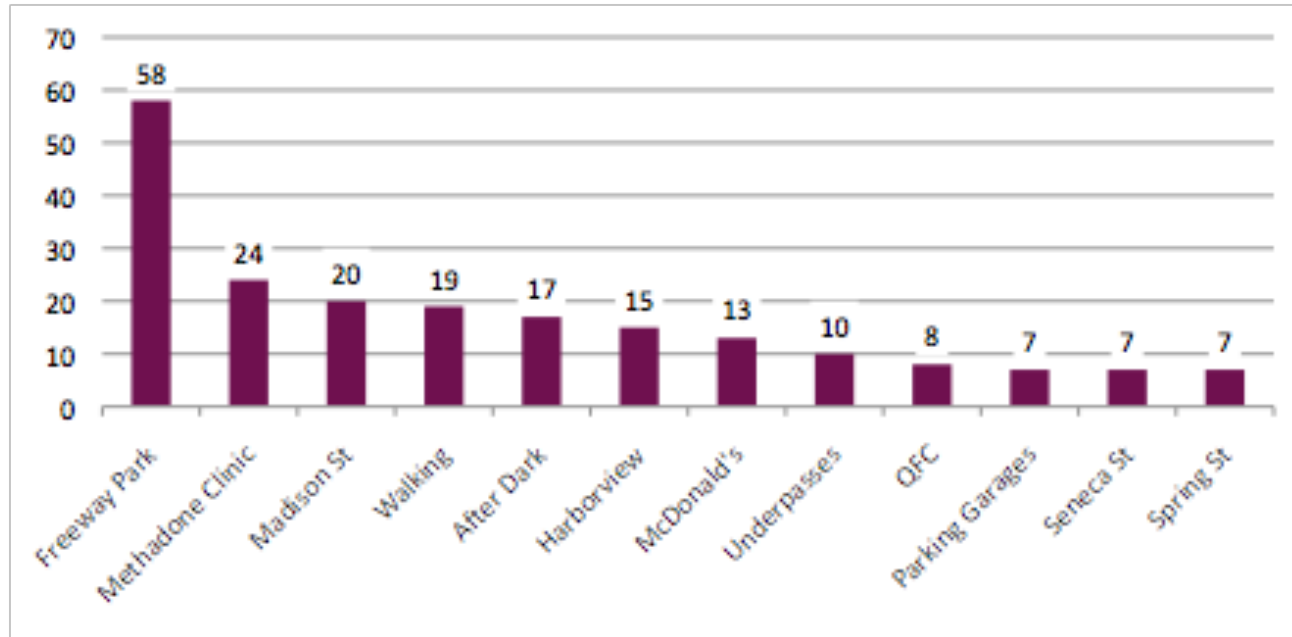

The purpose of this survey is to ***gauge public perceptions*** of neighborhood safety, ***identify concerns*** in First Hill, to ***understand law enforcement role***, and for use in ***advocating for improvements to public safety***.

How safe do you feel on First Hill?

Very Safe	3%
Safe	27%
Neither	38%
Unsafe	30%
Very Unsafe	2%

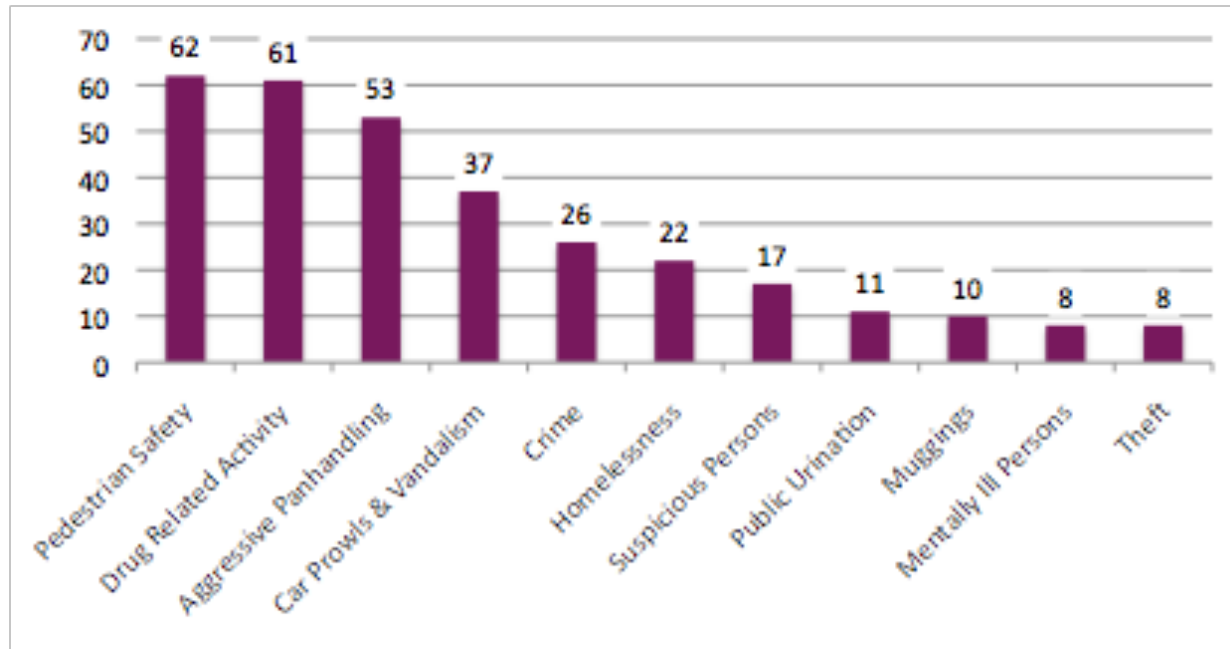

Less safe areas of the neighborhood

Top Five

Freeway Park
Methadone Clinic
Madison St.
While Walking
After Dark

Top safety concerns

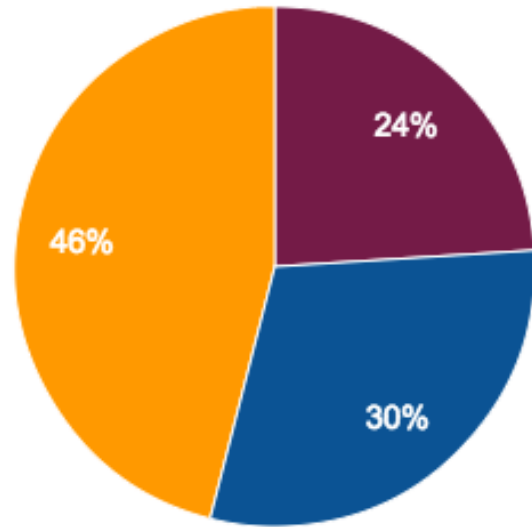

Top Five

Pedestrian Safety
Drug Related Activity
Panhandling
Car Prowls
Crime

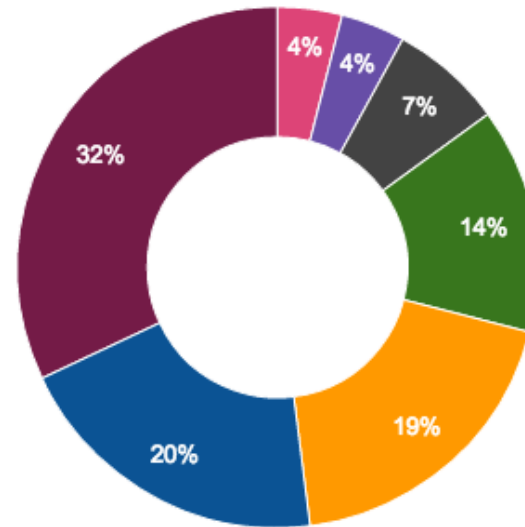

Reporting crimes to the police

How often?

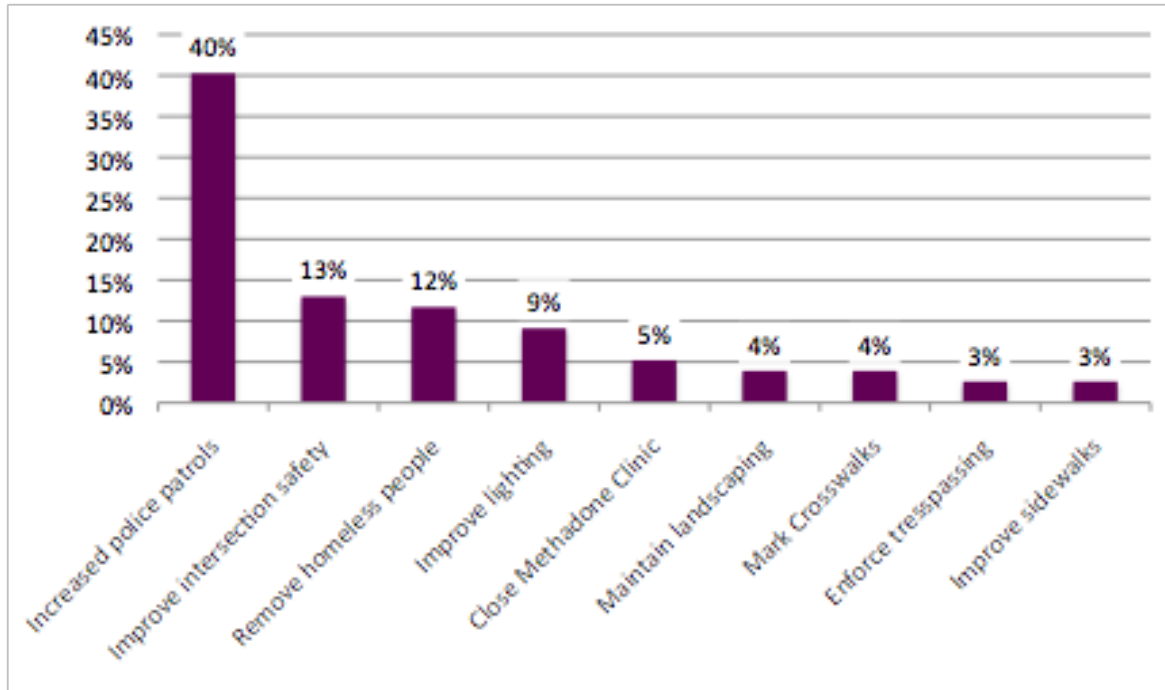

Always Sometimes Never

Why not?

- I didn't know who to call
- I was busy and didn't want to give a statement
- I didn't want to become involved
- I was concerned for my own safety
- It didn't seem like a dangerous/emergency situation
- Lack of confidence there would be follow through if I did call
- I don't witness crimes on First Hill

Additional thoughts and ideas

Top Five

Increased Police Patrols
Improve Intersection
Safety
Remove Homeless Police
Improve Lighting
Close Methadone Clinic
